

REGION IV DIRECTORS CUP REPORT

CHAMPIONSHIPS DAY

On Sunday, the U16 boys Nevada Devils, played a great game against Chesco Premier from Region I. Chesco scored their 1st goal in the first half, causing the Devils to push even harder in a hot, muggy day in Kirkwood. They came back and tied it up in the 2nd half sending the game into overtime. Opportunities came and went without anyone capitalizing on them. In the last seconds of the 2nd overtime, Chesco got a goal ending the game with a 2-1 score over the Nevada Devils

The U17 AK Rush 91 Girls took on North Texas FC Dallas from Region III. Rush dominated the first half with Alev Kelinter scoring a nice bending goal from the corner. That was the only goal of the game giving AK Rush 91 Girls the Directors Cup National Championship.

The U17 boys from Las Vegas, Nevada Real, played North Carolina FSC Force from Region III. Once again North Carolina went up a goal at halftime with a score of 1-0, but Real fought hard and scored 2 goals halfway through the second half and was able to keep the Force out of their net. Real won the game 2-1 giving them the U17 Boys Directors Cup National Championship.
