

Far West Regional League Kicks-Off Registration For 2008

The Far West Regional League announced today that registration for the 2008 FWRL spring season will open on Thursday, September 20th and close on Friday, November 9th. The FWRL is available to all 14 State Associations that comprise US Youth Soccer's Region IV, and is committed to providing top-level competition between participating State Associations as a compliment or alternative to their current league structures.

In addition to the competitive league structure, the FWRL Premier Champion in identified age groups will earn an invitation for a 'wild card' berth to the Far West Regionals in Hawaii this June. The format for the 2008 FWRL spring season is to determine a champion earlier than last year, in order to provide fair and adequate time for each champion to plan for Far West Regionals in Hawaii.

Host site applications will also be accepted beginning September 20th. Members interested in hosting a FWRL weekend must submit site-host agreements by Friday, November 9th. Sites may be finalized at any time during the next two months. The final list of playing sites will be determined in mid-November and posted immediately. Contact your State Association for help in submitting a hosting agreement.

Complete registration and spring 2008 season details can be found on the FWRL tab at the link below. Check it periodically for details. The registration fee is \$350.00 per team, plus game-by-game referee fees paid on the field. For more information, please contact FWRL Commissioner Jim Tilley at fwrljt@aol.com or visit www.regioniv.com and go to FWRL.
