

Region IV '91 Costa Trip – Day 1 and 2

Saturday was spent traveling from Phoenix to Costa Rica for all but two of us. Because of a mix-up at the airline, two players didn't have seat assignments. Despite appeals by the airline staff at the gate, no volunteers were found. Rather than leave two players behind, Garry Moore the ODP Administrator stayed behind with Karson Payton from Utah. After a flight to LAX, and a 12:45 AM flight to Guatemala City and San Jose, Costa Rica they both joined the team the next Sunday morning in San Jose.

Sunday started with breakfast and training at the National Training facility, where all of the games will be played for all four Regions. After Lunch at the Irazu Hotel where all four teams are staying, Region IV joined Region I to attend a professional game between Cartagines Deportiva and Perez Zeledon . It was an exciting 0-0 match. In the evening all four Regions were treated to a presentation of cultural dances of Cost Rica. The players joined in learning dances and ended up doing the Mararena with the dancers. Don't expect to see any Region IV players on Dancing with the Stars anytime soon!

Region I & IV at Professional Game
