

Day 1

After a total of 15 hours of plane rides from home to LAX, a plane ride from LAX to Frankfurt, Germany and one more plane ride from Frankfurt to Munich and a 40 minute bus ride from Munich to Meisbach, Germany, we arrived at our very nice hotel.

We were greeted by our tour guide Daniel and checked into our rooms. After checking in we went to a local festival where many were dressed in their local clothing. We had a true Germany dinner of sauerkraut, meat, potatoes.

We came back to train for an hour and get loosen up. Then a well deserved night of sleep.
