

## 2009 REGION IV 95 BOYS ODP CAMP

### Day 1

Teams arrived in the afternoon, after getting checked into their respective dorms, dinner was served from 4:30-6:30. At 4pm the regional Staff Coaches met. Head Coach Sean Bushey went over many things but wanted to instill energy, excitement and enthusiasm to the players. Objectives for the staff are to identify players, teach the game and most of all create an enjoyment for the game.

Training started at 6:30, the team coaches ran a light session and each respective staff coach started to mingle with the players. The night ended with a team administrators meeting and the regional and state coaches meeting.

### Day 2

With a half day in the books the players were very excited to get the camp started in the second day. The morning started with the Opening Ceremony lead by Head Coach Sean Bushey. Coach Bushey was very clear on what he wanted to see throughout the week, and that the players need to be professionals on and off the field.

Immediately following the Opening Ceremony the groups headed out to the field for their morning training sessions. The teams worked on small patterns to goal and ended working on set pieces. The goalkeepers focused on footwork and shot-stopping. All the training sessions were structured around the fact that the players all had matches in the evening.

After lunch the players enjoyed a fun Soccer Tennis tournament, it was a great icebreaker and players had the opportunity to relax and have fun before their matches that evening.
