

2009 REGION IV 94 BOYS ODP CAMP

Day 1

All the teams arrived safely to a very brisk Oregon day on Monday, July 6, 2009. Immediately, upon arrival for most teams, they were allowed to check in, get to their rooms, and then eat dinner. After a short break, it was time for the first practice that was conducted by the state team coaches. The goalkeepers were trained separately by the Region IV goalkeeping staff.

The night ended without incident, but with much excitement and anticipation for the next day's events.

Day 2

The morning started with the opening ceremony, which was preceded by breakfast. The opening ceremony was conducted by camp director Steve Bircsak, in which he introduced the head athletic trainer, "Sam" and Head Coach for Region IV '94 Boys, Josh Kalkstein. Mr. Bircsak laid all the ground rules for behavior off the field, Sam addressed all medical needs and procedures, and Coach Kalkstein expressed the on field expectations.

The opening ceremony was followed by team trainings, which were lead by the regional coaches. Despite the travel day, the sessions were sharp and lively. After sessions, the players attended lunch and then it was off to the classroom where the players were shown two games on the big screen.

After watching the games, the teams either had a game at 4:30 or 7:00. The games were fast and very competitive. Scores posted below. The night ended without incident and with much anticipation and excitement for the following day's activities.
