

## 2009 REGION IV 94 BOYS ODP CAMP

### Day 5

The players and staff awoke for the final day of camp to a beautiful and slightly warmer day. It was by no means hot, however, sunny and breezy. Breakfast was the standard fare of eggs, breakfast meat, and something with syrup. After breakfast, the teams battled in the final games of camp. Despite a tough week of games, the standard was very competitive. (See scores below.)

After the games, it was lunch and then the final identification game of the week. In emphatic fashion, the 'white' team won the game 3 to 1. The overall series went to the 'white' team for the second year running! In conclusion of camp, the campers, staff, and coaches attended the final ceremony lead by Head Coach Josh Kalkstein. At the conclusion of the ceremony, Coach Kalkstein announced the Holdover's for the '94 Camp. The night ended peacefully and without incident.
