

2009 REGION IV 92 BOYS ODP CAMP

Day 5

As the morning broke to the final day of the 1992 ODP regional camp, players and staff all knew that everything was on the line during play. Those being looked at could cement their place in the pool or it meant one final opportunity for those who hadn't put themselves into the mix to produce a virtuoso display that would take the regional staff's breath away.

Breakfast was an important part of the day as the final round of games would be played in the morning. After that it was time to sit down and discuss each players playing over the week before the final invite game.

The final invite game produced one of the best displays of soccer all week and can largely be contributed to the change in coaching, as Coach Schmid handed over the reins to Coach Hyde. He duly stepped up to the plate and delivered not just a victory, but a great display of soccer to go with it.

It was then left to head Coach Reece to name the 24 men that would be this year's 1992 Region IV pool. Congrats to everyone on a very good week of soccer and whether you made it or not being a part of regional ODP camp is an important building block in your soccer career.

Final day's results:

Alaska 3 – 2 Washington

Nevada 1 – 1 United A

Utah 1 – 2 Colorado

United A 1 – 0 Hawaii

Invite Team 2 – 0 Oregon
