

ORLANDO, Fla. (December 28, 2009) – Day two of preliminary games concluded at the US Youth Soccer Olympic Development Program (US Youth Soccer ODP) Super Group at Disney's Soccer Showcase in Orlando, Fla.

Play in today's matches continued to showcase the elite level of play that is produced by US Youth Soccer ODP.

1993 Boys

Region II were also able to earn a penalty kick in first half action of their game against Region IV in the 1993 group. Christopher Wiah took full advantage, burying the spot kick and putting Region II up 1-0 just before halftime. Region IV turned it up in the second half putting more and more pressure on the Region II keeper as the game went on, but Region II thwarted any attacks to take the game 1-0.

1994 Boys

Region IV is setting the tone in the 1994 Super Group as they defeated Region II 3-0 in the second day of play. Region IV once again jumped out to a fast start when Aaron Caprio took a through ball and passed it by the keeper in the 15th minute. Jared Hegardt added another goal before halftime in the 33rd, and Brayden Prothero knocked home a rebound from a direct kick in the 60th to finish off the scoring. Region IV has now scored seven goals while conceding none in their first two games.
