2011 REGION IV 96 BOYS ODP CAMP

2011 REGION IV 96 BOYS ODP CAMP

The final day of the 96 Region IV Boys camp was a glorious sunny day...not too hot, not too cold, but just right!!!! It was glorious weather for all to be a part of for the last day of games. With the weather being perfect and the pitches in fantastic condition, the state teams took to the field for the last games of the week directly after breakfast (Scores below.) Despite the fact the state teams have played and practiced every day since Tuesday, the games were once again competitive, entertaining, and up to expectation.

It has been agreed upon by the Regional staff, that these were some of the best games for the last day in many years. It has been obvious that these young men have made their states proud and left it all on the field.

After games, it was off to lunch and then individual evaluations with Regional Staff coaches (State team coaches were asked to sit in on the evaluations as well!) After evaluations, it was off to the perfectly manicured stadium of Linfield College for the last of the ID games.

Forty Four state team players were asked to participate in the game. Twenty-two players were assigned to both the Dark and Light teams (each player getting one half.) The Light vs. Dark battle had been heating up all week long and the stage was finally set. Going into the last day, each team had won one game, so this was for all the proverbial marbles!!!! The Light team and Coach Krumpe with his smorgasbord of assistant coaches were going for their first overall camp games victory.

The Dark team has prevailed in this epic battle for the last three years running and they were hungry to add another. It was a tense and enthralling occasion, but ultimately, it was Coach Krumpe who got the proverbial "monkey off his back," although it was probably more like a silverback gorilla.

In the post-game press interviews Krumpe said, "I have waited a long time to Beat Coach Worden...this has been hanging over my head for the last 365 days!"

The game was an enthralling 4-2 encounter with the Light team not only Winning the game but also winning the overall tournament! Congratulations go out to all the Light players that participated and Coach Krumpe for their hard work. Coach Krumpe was bound to win some time!!!!!!

After the ID game, it was off to the auditorium for Closing Ceremony's, Regional Camp Director Randall Pogeet thanked everyone for coming and complimented all of the State teams for not only their hard work on the field, but also their impeccable behavior off the field as well.

State administrators and state coaches were thanked and then applauded by all in attendance. (Once again, thank you to all coaches and Administrators, without you this wouldn't happen. Also, a special note, Gary Thompson on the Regional Staff celebrated his 30th year with the Regional Camp. Thanks for everything Gary!) After formalities and the recognition of all who helped, Head Coach Josh Kalkstein announced the Regional Team. Thirty- six players in all were selected to the Regional Pool. After Closing Ceremony, it was off to pack up and hit the hay for the long day of travel ahead. **CAMP ENDED PEACEFULLY AND WITHOUT INCIDENT!**
