While the players were receiving their evaluations, some teams went to watch the U17 matches of Uruguay vs. Uzbekistan and Brazil vs. Japan. Both games ended up being great games for the players to see.

The final invitational match of the week was played at 7:00 p.m. This match brought out the best in all the players and really rounded out a great week of quality soccer. The Dark team ended the game with a 1 to 0 victory over the Light team. Following the Invitational game, all the regional coaches went back to meet to make the final decision on the players that would make the Regional pool
