

## **Restroom Facilities**

Permanent restroom facilities are available at both the Bettye Wilson Soccer Complex and the Kellogg Zaher Sports Complex. In addition, temporary restroom units and wash stations will be placed at both sites to insure easy access to restroom facilities.

At Bettye Wilson, the main restroom facility is located in the building to the left of the main entrance to the park. Both men's and women's restroom facilities are located in this structure. This facility is handicapped accessible. Additional temporary units will be placed to the west of field B1, and near the northeast corner of field B2 (outside the fence, as you approach the main parking lot and concession areas).

At Kellogg Zaher, permanent restroom structures are located as follows: on the east side of field K11; near the entrance to fields K6 and K7, and to the north of the area between fields K2 and K3. The permanent restroom structures have both men's and women's facilities. Temporary restroom units will also be placed near the entrances to fields K9 and K10, and to fields K3 and K4.
