

Team Flags and Banners

As with tents, no staking for team flags or banners is permitted at either the Bettye Wilson Soccer Complex or the Kellogg Zaher Sports Complex. Those teams wishing to display a team flag during games will be allowed to affix their flag (via zip strips or velcro straps) to a pole on the team canopies supplied by US Youth Soccer for each team bench. Flags can only be in place during a match in which the team is playing. To avoid conflict with tournament sponsors, team flags may not feature a team sponsor name or image.
