|----|----|----|----|----|----|----|----|----|-----|-----|-----|-----|-------|
| OR | NV | WA | CO | UT | AZ | AK | HI | MT | CN | ID | NM | CS | ----- |

Instructions For Using Wildcard Matrix

1. Numbers in top highlighted row are individual age groups.
2. Numbers in each vertical column correspond to the numbers assigned to the states at the time of the bracket draw. For example, if two wildcards were needed in U14 Boys, they would go to states #3 and #14
